2022 ANNUAL REPORT

DEAR TRINITY BAPTIST CHURCH FAMILY,

As we enter 2023, we reflect back on God's faithfulness in the midst of a year of change and fruitfulness for Trinity Baptist Church. We also anticipate God's hand of blessing in using our church to fulfill the Great Commission in many creative ways in the new year ahead.

We hope you are encouraged as you read this year's annual report and the many ways God sustained and blessed Trinity Baptist Church. You will find many accomplishments in all facets of our ministries ... preschool through senior adult, coupled with a renewed commitment to addressing facility needs around our campus.

Our search for a new Senior Pastor continues, and we are fully trusting God as He leads our pastor search committee and entire church. We still do not know all of the answers, but we are confident that God is leading us forward, together.

1 Corinthians 9:9 states, *"God is faithful, who called you into fellowship with his Son, Jesus Christ our Lord".*

In preparation for 2023, there has been an intentional effort to pray, plan, and anticipate another momentous year at Trinity Baptist Church. We are confident in God's power to take us to new heights as we individually and collectively Believe Big, Give Big, and Serve Big inside and outside the walls of our church!

With gratitude,

Terry Carter
Interim Senior Pastor

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Trinity Baptist Church
Texarkana, Arkansas

Opinion

We have audited the accompanying financial statements of Trinity Baptist Church – Church Program (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Trinity Baptist Church - Church Program as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Trinity Baptist Church - Church Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Trinity Baptist Church - Church Program's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

1810 Galleria Oaks • Texarkana, Texas 75503 • 903.793.5646 • Fax 903.792.7630 • www.wilhen.com

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Trinity Baptist Church - Church Program's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Trinity Baptist Church - Church Program's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Emphasis of Matter

As described in Note A, the financial statements of the Trinity Baptist Church – Church Program are intended to present the financial position, the changes in net assets and cash flows of only that portion of the Trinity Baptist Church. They do not purport to, and do not present fairly the financial position of the Trinity Baptist Church as of December 31, 2021, the changes in net assets, and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.
