“We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ.” - 2 Corinthians 10:5

Children create a cluster of grapes by gluing purple circles onto paper in a bunch shape, with the green stem and leaf at the top. Inside each grape circle, the teacher writes a positive thought for the child – phrases like "

," "I am brave!," "God helps me!," "I can do it!," "God is bigger!," and "I am not afraid!" Children can decorate the grapes with crayons. Write "We Take Every Thought Captive! – 2 Corinthians 10:5" along the top.
