# Resource Instructions

## Zoo Set

### PREPARATION

Print and cut out the cards on the following pages.

If you plan on reusing these cards often, I recommend laminating the cards or printing on cardstock.

### HOW TO PLAY

- Shuffle all of the cards
- Place the cards face down on a flat surface
- Players take turns to flip over two cards at a time. If the two cards are the same image, the player gets to collect and keep those cards. If the two cards flipped are not a match, then the player must flip them back to facing down.
- The game ends once all of the cards are collected.
- The winner is the player who collected the most cards.

### Differentiate:

- Remove some cards to make the playing grid smaller and easier
- Use all of the cards to create a challenge.
