

A Prayer for My Dad

Dear Jesus,
Please help my daddy
To lead our home with love,
To point my little heart toward You
And trust in things above.

Help him read Your Word to me
And teach me how to pray,
So I will know Your voice, dear God,
Each and every day.

Give him patience when I'm fussy,
And wisdom when I'm lost,
Help him show me what it means
To love no matter what the cost.

Let him be a man of honor,
Honest, kind, and true,
So when I watch the way he lives,
I learn to follow You.

Give him strength to stay and lead me,
Never to give up or run,
Help him finish well, dear Father,
Every race that he has begun.

And when I'm grown and on my own,
May I look back and say
My daddy loved You first, dear God,
And showed me how to pray.

Amen.
